FOR SINCERITY AND DEDICATION

The 1973 Meteor has been dedicated to Mr. Ron Harris in appreciation of the many long hours he has spent working with students on speeches for tournaments and the production of plays. Mr. Harris also was instrumental in bringing the district speech tournament to Winslow High School on March 17, 1973.

Mr. Harris, who teaches English and Speech, graduated from high school at Ft. Worth, Texas, in 1958. He attended Grand Canyon College and NAU, and came to Winslow in 1969 to begin teaching at WHS. Under his direction, three plays and one musical were produced by WHS students during the 1972-73 school year.

As sponsor of Speech and Drama and Reachout, Mr. Harris has been both helpful and influential with WHS students.

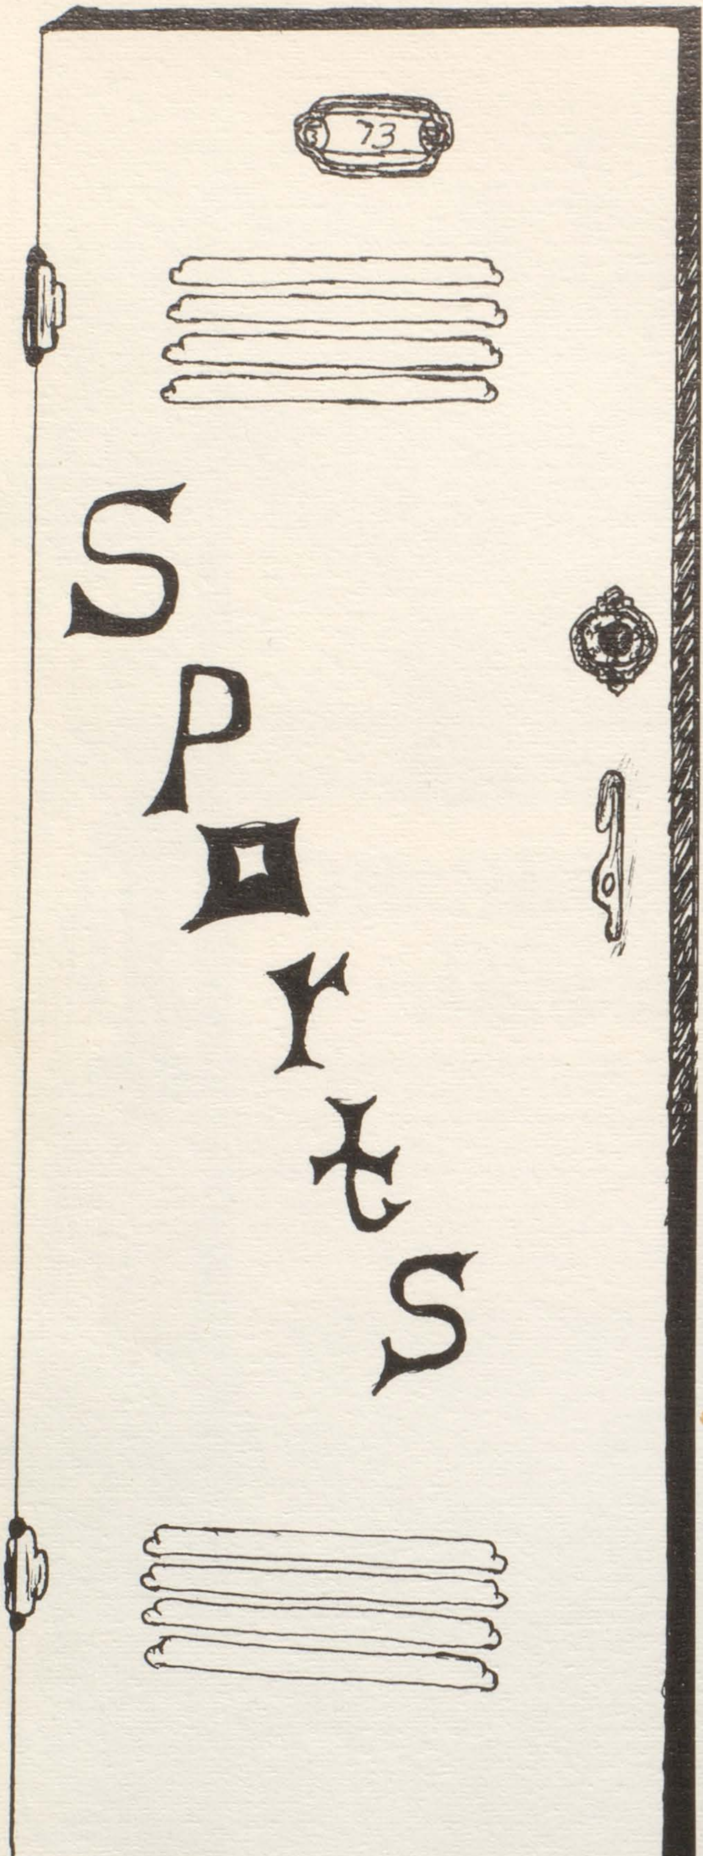

The theme for this year's Meteor is the opening doors to the future

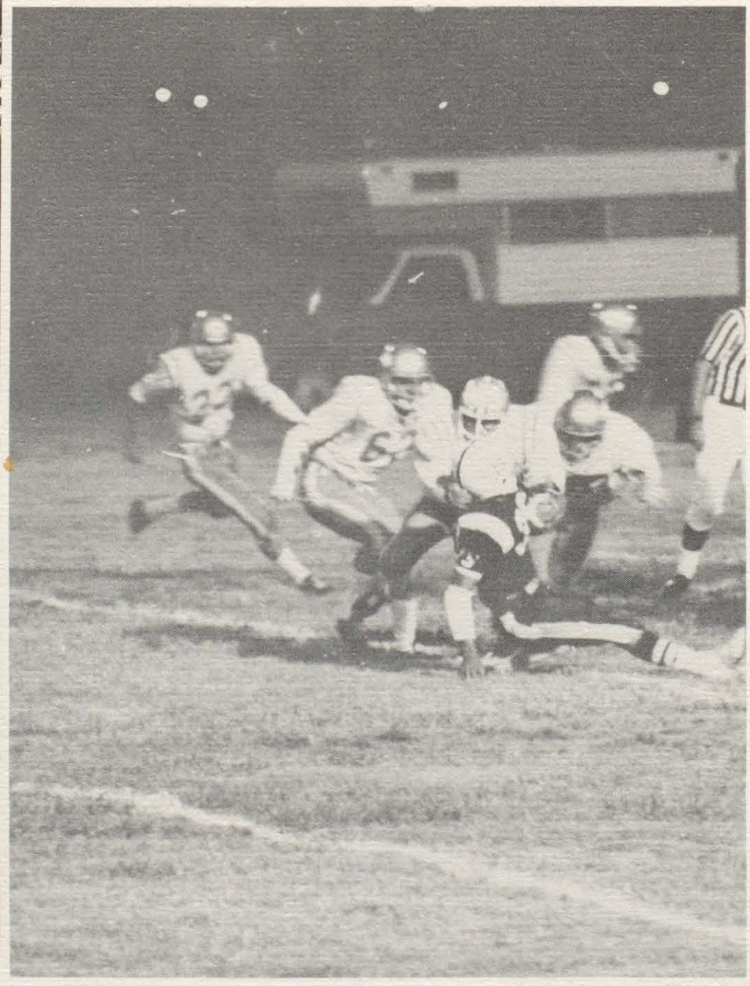

For the seniors as well as everybody else this theme has meaning that is well hidden because it symbolizes the future for all.

Your future will be determined by the type of door you choose. This book contains only a few of the many varied doors.

FROSH FOOTBALL

Freshman quarterback, Daryl Pugh, throws a pass for a run in an exciting freshman football game.

The freshman squad had nothing to be ashamed about. In fact, they had more than a lot to boast about. Most of all, each and every one of the team's members put their all out effort in every game.

The coaches, Mr. Wilcox, Mr. Petranovich, and Mr. Connors, were satisfied with the team's sportsmanship and togetherness on and off the field.

The team consisted of thirty-four members. All of the members did a fine job for their first year in actually having contact in the sport of football.

The two most outstanding freshman players were Pat Lomeli and Seigfried Ezell, both of whom made the Varsity squad and played in the final two games of the Varsity season. With outstanding athletes like these, Winslow's Junior Varsity and Varsity squads should have an outstanding season in the up coming year.

On May 5 the 1973 edition of the WHS track team captured its second Class AA State Championship in a row.

The Bulldogs ran away with the team title by compiling a score of 88 points to runner-up Safford's 77.

Winslow was led by long distance runner Woody Franklin who captured first in the mile and the two mile, and by sophomore Ronnie Van who won first in the long jump and second in the 100 yard dash and low hurdles with a third in the 220 yard dash.

Franklin broke the state records in both of his races with times of 4:22.5 in the mile and 9:25.5 in the two mile. Van also broke the state record in the long jump with a leap of 23'8".

Because of hard and long hours of practice the Bulldogs were able to compile a record that contained only 1 loss during the season with all wins chalked up to the credit side. The team has won 7 invitationals and four dual meets. The only loss came at the Buckeye Invitational.

Winslow's Freshmen squad last year displayed fine effort and sportsmanship on the court. Coach Petronavich feels that last year's Freshmen team will be great prospects for the Junior Varsity team of the upcoming year. Although the squad didn't have much height, it had great manueverability of the ball, and twelve members who could always be depended on for their all out effort on the court.

Southwest District I Champions

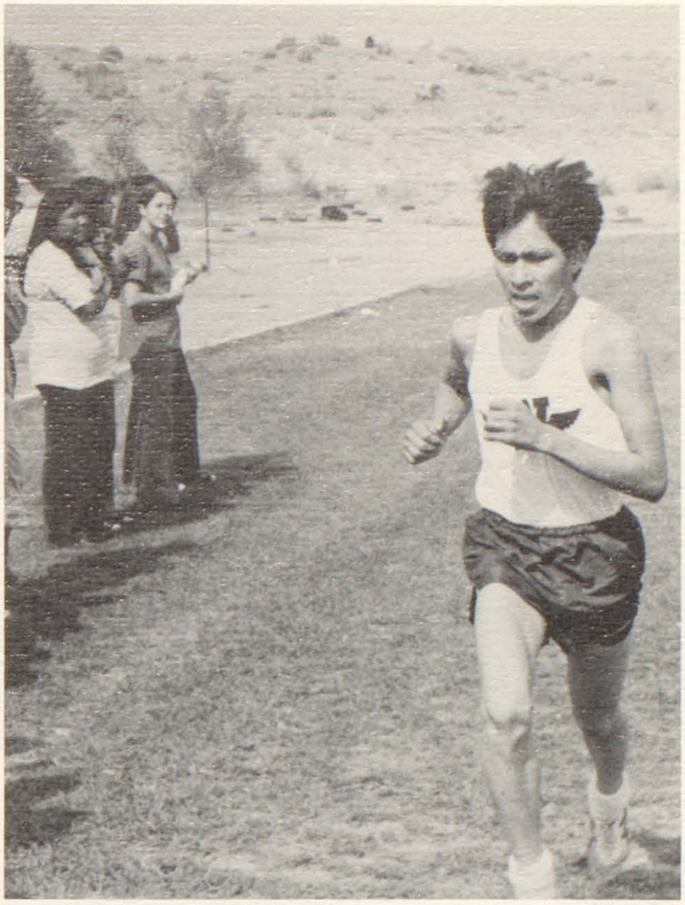

The Winslow Cross Country team displayed fine effort this year by being declared District 1 champions, and also capturing first at State.

Wayne Taylor, who finished number 1 at state, and Woody Franklin who finished third at state lead the Cross Country team all year. Others who did outstanding jobs and earning letters are Virgil Cruz, Frederick Myron, Selwyn Namoki, Burke Pinto, Alvin Thompson, Gilbert Keyonnie, Emerson Yazzie, and Roderick Poneyoma.

Winslow's Cross Country team had two men appear in the Arizona prep magazine. Wayne who came here three years ago from Second Mesa, is only a junior, and will be back next year. Wayne is the grandson of a former olympic runner Lewis Tewanima. Wayne when asked if next year will be as successful as this year only responded hopefully, but we the students of Winslow High School know it will be.

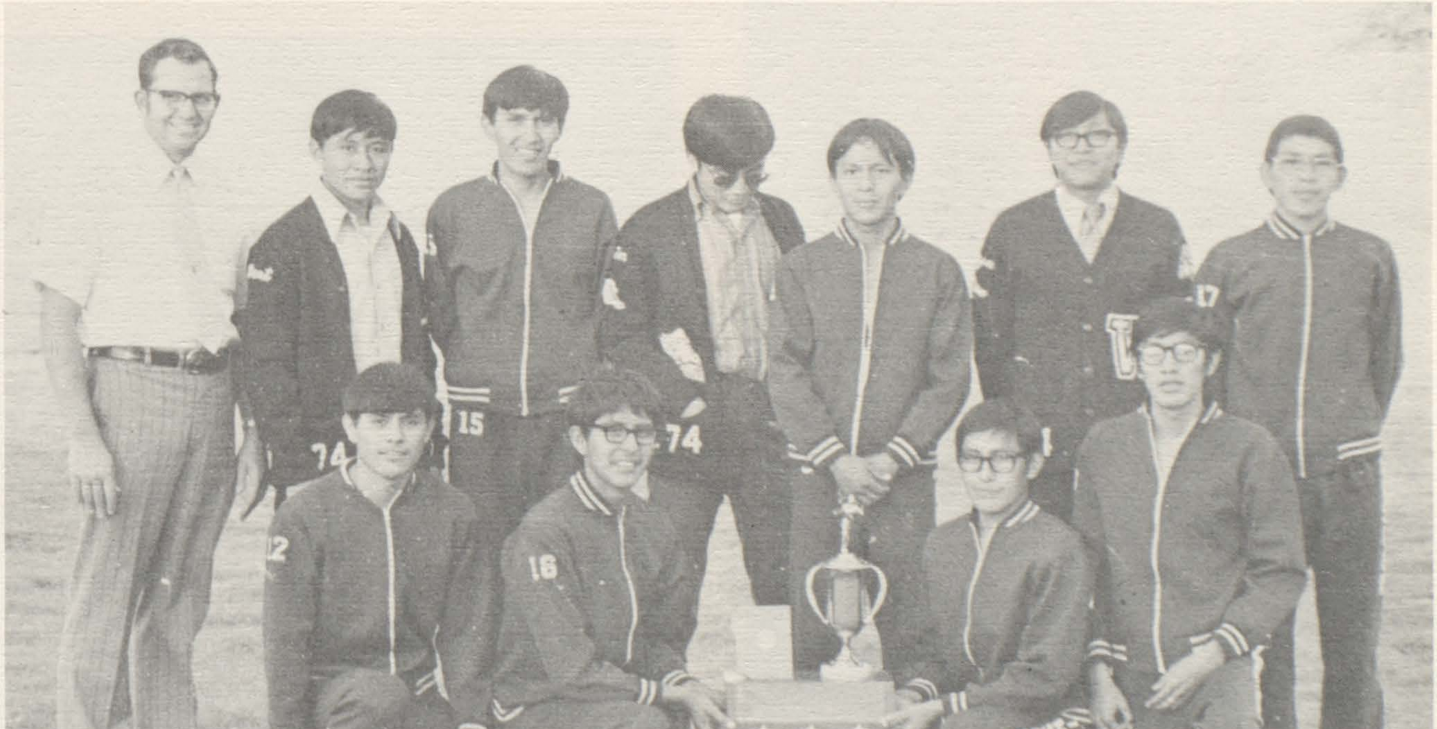

The other outstanding runner to appear in prep magazine is Woody Franklin. Woody who is a Senior this year has been breaking records since his freshmen year. Woody is rated third in the AA conference, but only placed that at state, because of a knee injury earlier in the season of last year, which reoccured this year. Winslow High will always remember Woody and his records.

Winslow participated in eleven meets this year. We placed first at nine meets, second out of fifty teams at Squaw Peak, and third at the Window Rock Invitational.

Wayne Taylor takes first at the State meet for Winslow.

The 1972 volleyball team saw a very successful season under the direction of Coach Anne West. They ended the regular season with a 5-5 record, then continued through divisionals on to the state tournament. The team placed second at district, and fourth at state. They learned, improved, and did much better than their record indicates.

Winslow High should be very proud of these girls, for this was only their second year of competition. Most of the girls participating this year were juniors and sophomores, which should give the girls a good chance of taking state next year. The team over all put their all out effort this year for the new coach, Miss Anne West. Miss West should be very proud of this team.

In the process of helping other people the club also raised an amazing amount of money that will go to the future Key Club park. Also fun was had by the many members who acted in the play and participated indirectly. Our president Mike Cebellos took on an awesome task by directing the play single handed. The play was a total success and raised much money.

SCIENCE CLUB

The Winslow High School Science Club got a late start at the beginning of the year but it soon got going strong. The students who served as officers of the Science Club during the 1972-1973 year were: President David Scheid, Vice-President Charles Sema, Secretary-Treasurer Joey Zukowski, and Representative Ken Ekstrom. Sponsor of the club was Mr. Conatser.

One of the projects undertaken by the club was to photograph the Winslow area showing the many seasonal changes that take place throughout the year. The club also raised funds to help buy some supplies for the greenhouse. The members also planned some activities in Astronomy.

The student who desires to do so may observe in the classrooms of Winslow schools, may substitute for not more than a half a day when a teacher is out for school-related activities, or for those who are sufficiently interested may tutor an hour daily for a quarter of a credit.

The Future Teachers meet on the second and fourth Wednesdays of every month. Those who are active in F. T. A. are elidgible to attend the state convention in the spring.

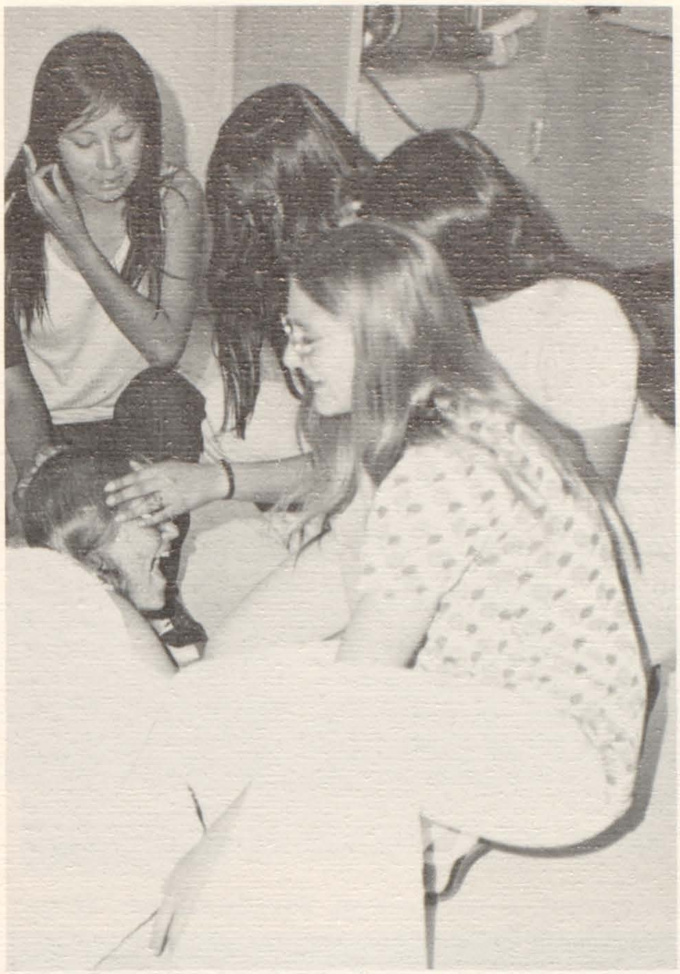

N.O.T.

This was a year of innovation for the Nurses of Tomorrow. Along with getting a new sponsor, Miss Barbara Dubuy, the club was involved in many of the old as well as a few new activities.

Out of eleven new members these nine were still in the club by 1973: Amber Dalton, Elaine Douthitt, Doris Kaye, Susan Kaye, Priscilla Pavatea, Hazel Perry, Mary Ellen Plese, Peggy Robinson and Gwen Sorenson. Initiation was held in September for these members. As a surprise the old members dressed these new nurses of tomorrow in bandages and make-believe blood. After initiation, dinner was enjoyed by all at Sambo's.

The officers of N.O.T. during the 1972-73 year were as follows: president, Heather Morris, vice-presidents, Laura Bertino and Rosa Honani, secretary, Sarah Williams, treasurer, Becky McFarland, representative, Pam Duggins and historian, Jacqueline James.

The club sold chocolate candy bars and stationery as in previous years. At Christmas time the Nurses of Tomorrow went caroling at the rest homes and the Memorial Hospital. Afterwards there was a Christmas party. Two service activities the girls participated in as in the past were to collect for the March of Dimes and the Heart Fund.

SPEECH & DRAMA

Renee Day, an outstanding student of Speech and Drama, acts out a part.

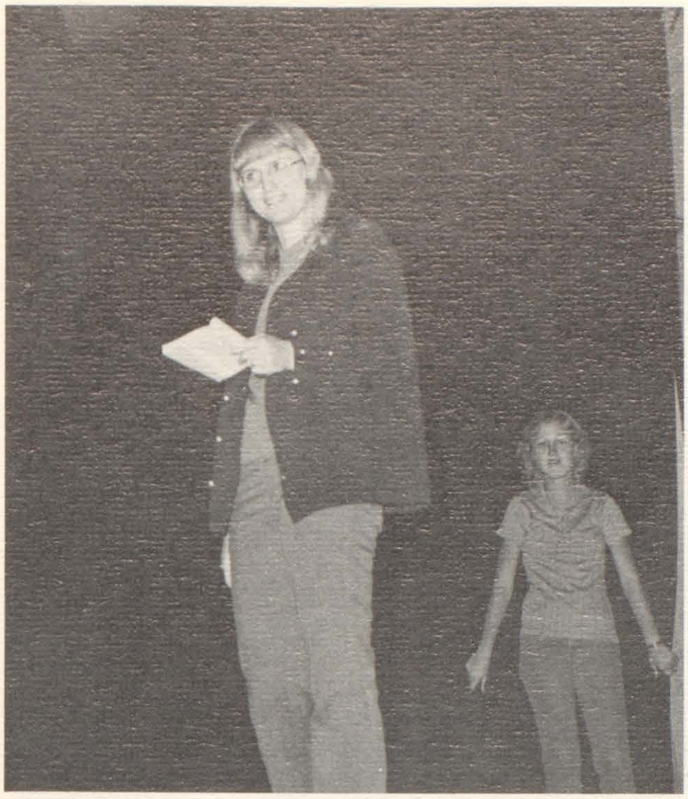

The main activities of Winslow High School's Speech and Drama Club were centered around plays starting with the senior play, "Dear and Glorious Physician." Next came a children's theatre, "The Ransom of Redchief," followed by the junior play, "Mouse on Mars." The last production was a musical, "The education of Hyman Kaplan."

However, success was not limited to plays alone. Tournaments began early in the spring with Winslow taking first place in Page, Window Rock, and District.

District, which was held in Winslow, proved an enormous success with eleven schools in attendance. Winslow raked in a total of 114 points to take first with the second place winner bringing in a total of 41 points. The club also attended a Speech and Drama Festival held in Flagstaff at NAU.

Officers for this successful season seemed to come and go as in the case of two of the officers, Lori Raygor, president, and Elizabeth Ekstrom, secretary-treasurer, both seniors who graduated at the end of the semester. Replacing them were Mike Ceballos, president, and secretary-treasurer, Joe Hasten. Other officers in the club consisted of vice-president, Pam Duggins, representative, Renee Day, and Historian, Laura Fore.

Mr. Ron Harris was the sponsor of the club and his devoted drive, along with many talented students, provided Winslow High with one of its most successful years.

Lloyd Caraway officially names the Winslow Honor Society the Verla Oare Chapter of Winslow. The presentation was made at the Honors Assembly. Miss Oare was the sponsor of Honor Society for years.

The National Honor Society is an up and coming organization at Winslow High School. It is an organization that is made up of juniors and seniors. To be eligible you have to be in the top 25% of the senior class and in the top 15% of the junior class.

The organization has four standards of moral values that have to be considered when choosing new members. The first is Scholarship, followed by Character, Leadership and Service. It is these qualities that help make our leadership of the future.

The organization's two main goals over the year are to have a school project and a service project. The school project is the annual decorating of the high school during Christmas season, and this year's service project was a benefit basketball game between the Faculty and Seniors. The game was a big success with almost $300 being raised for the Heart Fund. During halftime of the game there was a pep assembly for the varsity basketball team. The game was lots of fun and everyone who attended said they really enjoyed it. Members of the society that worked hard for this game were Michelle Hernandez and Catherine Breeze, who helped with tickets; Bill White, who got the pep band together; and Mike Ceballos, who served as Master of Ceremonies for the game and assembly.

Last year's Honor Society had a new sponsor, Mrs. Meikle, who worked extremely hard throughout the whole year to help make the Honor Society worth while.

REACH OUT

Christian fellowship has a vital place in student life at Winslow High School. With Reachout as a base of operations many Christian youth have found ways of expressing their faith. Under the dedicated, Christian leadership of Mr. Ron Harris the club has taken on many activities.

At Christmas, Reachout sponsored the Christmas party for Headstart. With participation from many teachers and students in the school this was a great success. All those who shared in the manifestation of love received a wonderful blessing.

Another project undertaken by Reachout this Christmas was a devotional service at the jail. Stockings were filled with candy and fruit and given to the inmates. Carols played and sung by the group and Mr. David Conatser brought a meaningful devotional.

Throughout the year Reachout sponsored recreation nights at the First Baptist Fellowship Hall. Pam Duggins, president of Reachout, with the aid of various members of the club, has led out in many enjoyable evenings. After recreation and refreshments, the evenings ended with rewarding times of personal testimony and prayer led by the Christian young people in our school.

Through Bible study and prayer, Reachout helps to strengthen the Christian faction in the student body. Any student or teacher wishing to find inspiration and Christian fellowship is invited to join. The club maintains the ideal of reaching out to the community through a Christian representation in Winslow High School.

W CLUB

The W. Club is an organization that works to promote cooperation between the various athletic organizations. Only those who are varsity lettermen may join the W. Club.

During the year 1972-73, Woody Franklin, holder of a new state record for the 2-mile run, served as president of the W Club. Vice-president for the year was Lew Argetsinger, while Wayne Taylor served as secretary-treasurer. Representative to Student Council was Danny Miller.

As a project for the year, the members of the W Club worked to raise funds to help finance the cost of buying new soil for the football field and grass seed to start a new turf for next year's football games. The project will be underway during the summer and should be completed in time for the beginning of the 1973-74 season.

WHS athletes scored their greatest triumphs in cross country and track during the 1972-73 season. They became Southwest Champions in cross country and State Champions in track. It is fitting that Woody Franklin and Wayne Taylor who contributed greatly to this success should also be president and secretary-treasurer of W Club.

PEP SQUAD

Promotes more Spirit!

Pep Squad took an active part in all athletic games and pep assemblies. They were responsible for the Homecoming festivities and also selecting "Doc" Wright for a posthumous award as Homecoming dedicatee. Pep Squad president, Susi Keller planned the activities of the squad and also organized the Pen Pal Club which consists of girls who wanted to boost spirit and morale. These girls made posters and slipped goodies into the lockers of their "pet".

Pep Squad was always at the games to cheer and encourage the mighty Bulldogs on to victory!

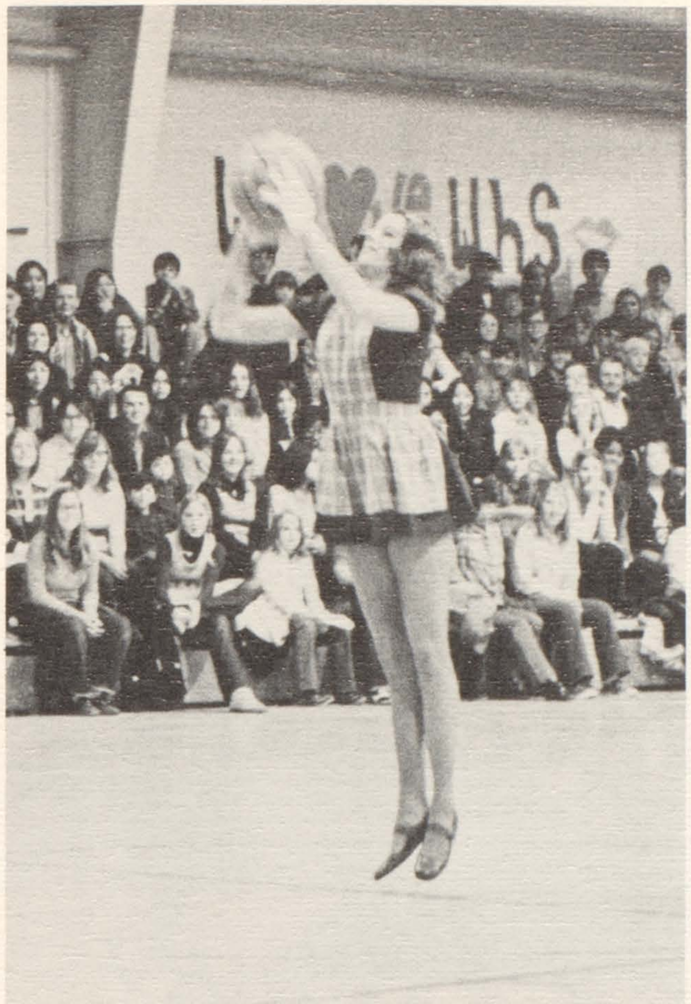

METEORETTES

The Winslow High School Meteorettes are a group of eight girls who showed their spirit by their performances at the football, basketball games and pep assemblies. Tryouts are held every spring and each girl must be able to pass a set of requirements before they are chosen into the group. This year's Meteorettes performed to the latest hits and worked with pom-pons along with torches. The Meteorettes sponsor was the exuberant Miss Joan Lancaster.

All eight of the Meteorettes are shown at the top of the page posed on the front steps of the high school. They are, BACK ROW: Pat Harper, Brenda Smith, Mary Alice Hayes, Mary Kelly, MIDDLE: Stephanie Ceballos, Toni Toya, Laura Fore. BOTTOM: Janet Heflin. To the left are Janet, Stephanie, Laura, Brenda, and Mary doing a performance with the band during halftime. On opposite page TOP LEFT Mary Kelly shoots for a free shot and Janet Reflin, TOP RIGHT, takes part in routine. VARSITY CHEERLEADERS

Spirit, power, and soul all express the actions of the Varsity Cheerleaders of Winslow High School. Susi Keller, Mari Faucher, Terri Garner and Mary Durkin performed to the utmost perfection at all the football and basketball games and also at the wrestling matches. One reason for a great winning streak this year was the great effort and hard work put into promoting spirit.

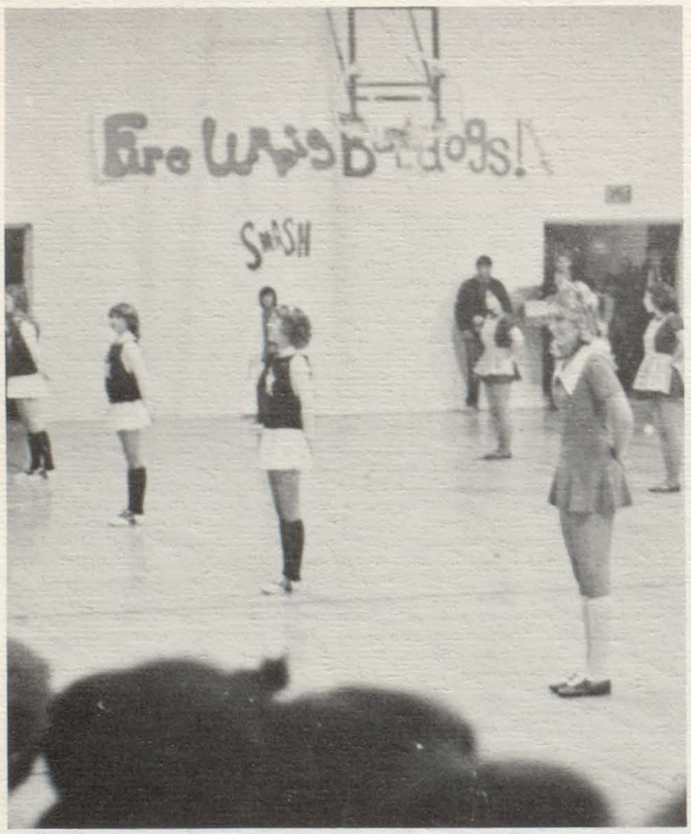

Their money making project for the year was the sale of spirit tags which had little sayings such as, "Let's take State," and "Bulldogs No. 1," They also sold spirit buttons and megaphones. The sale was a great success and brought in a great deal of money so that they could purchase more supplies.

JV CHEERLEADERS—W-I-N!!

W-I-N, W-I-N, WE'VE DONE IT BEFORE, WE'LL DO IT AGAIN! WIN!

The cheerleaders with a lot of ambition and drive were the J.V. cheerleaders. The 1972-73 J.V. cheerleaders were Judy Kalisz, captain, Barbara Bertino, Cindy Kidd, and Debbi Heartz. They have had a great part in promoting spirit at the basketball and football games and especially at the pep assemblies.

A Pen Pal Club was also formed for the J.V. wrestlers and Judy Kalisz was also the President of this club.

To promote more spirit they sold spirit tags, spirit buttons and megaphones. They led the spectators in cheering and added more vitality with their new cheers and also their new routines. They attended all the games that were played by the mighty Bulldogs, and helped all of the crowd to become more involved with the game and showing their spirit.

The four girls that have been so spirited are shown in the above picture as follows from LEFT TO RIGHT: Barbara Bertino, Debbi Heartz, Cindy Kidd, and Judy Kalisz. Also their sponsor, Miss West is shown in the upper right hand corner.

The picture at the left shows the cheerleaders in action at one of our pep assemblies.

FROSH CHEERLEADERS

"S-O-U-L, soul team, sock-it to me now!
"SPIRIT, SPIRIT, LET'S HEAR IT! SPIRIT, SPIRIT, LET'S HEAR IT!"

These and various other cheers were heard constantly during the athletic season and at the various pep assemblies. Freshmen cheerleaders, Carolynn Duggins, captain, Darlene Hadnot, Julie Chambers, and Kaye Hancock displayed undying spirit and enthusiasm during all the athletic competitions.

This bunch was very enthusiastic and their determination in promoting spirit was reflected in the winning streak of the freshmen athletes.

The cheerleaders are chosen by an election held by the Student Body. They present their cheers and a routine that they have made up by themselves. From their routines, selection is determined. In their routines, they must exhibit some gymnastic feats such as tumbles, splits, and perhaps, cartwheels. Different cheerleaders are chosen every year.

Ignited the soul!!

MATMAIDS

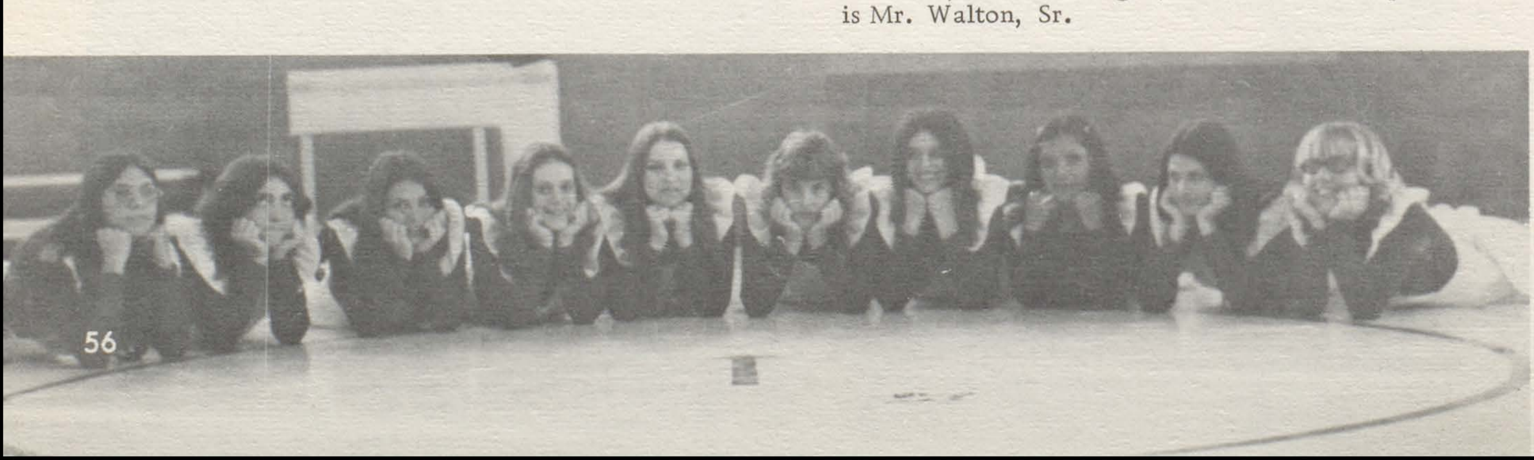

The MATMAIDS squad was the brain child of Mr. Harold Alford, who is now Assistant Principal at Joseph City High School. Somewhere along the line, he had seen a similar organization.

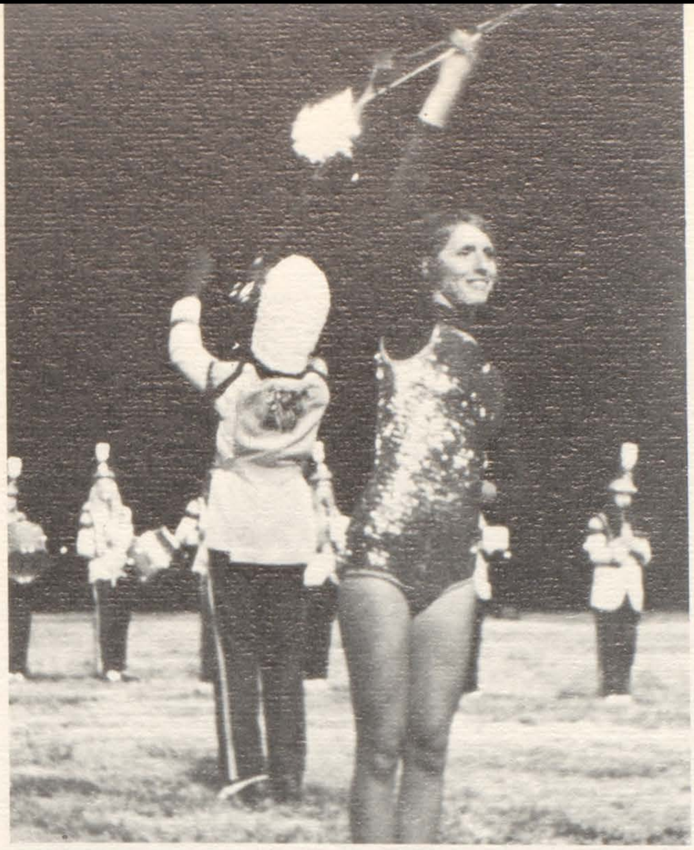

The MATMAIDS is a service organization. The members help in scoring and score posting at wrestling meets. They give assistance whereever they are needed.

Membership is limited to ten girls and new members are proposed and voted on by MATMAIDS members. A student must have a 3.0 grade average to be eligible for membership. Dual membership in other pep organizations and the MATMAIDS has not been too successful because of conflicting dates with other athletic events.

The MATMAIDS perform a very valuable service for W.H.S. and congratulations are in order to this organization.

Girls PICTURED ABOVE ARE: Teresa Ylarrez, Kerry Shearer, Karen Pyeatt, Rosa Honani, Anne Ybarra, Brenda Smith, Shorty Higginson, Stephanie Ceballos, Pauline Aragon, Bernie Nelson. Sponsor is Mr. Walton, Sr.

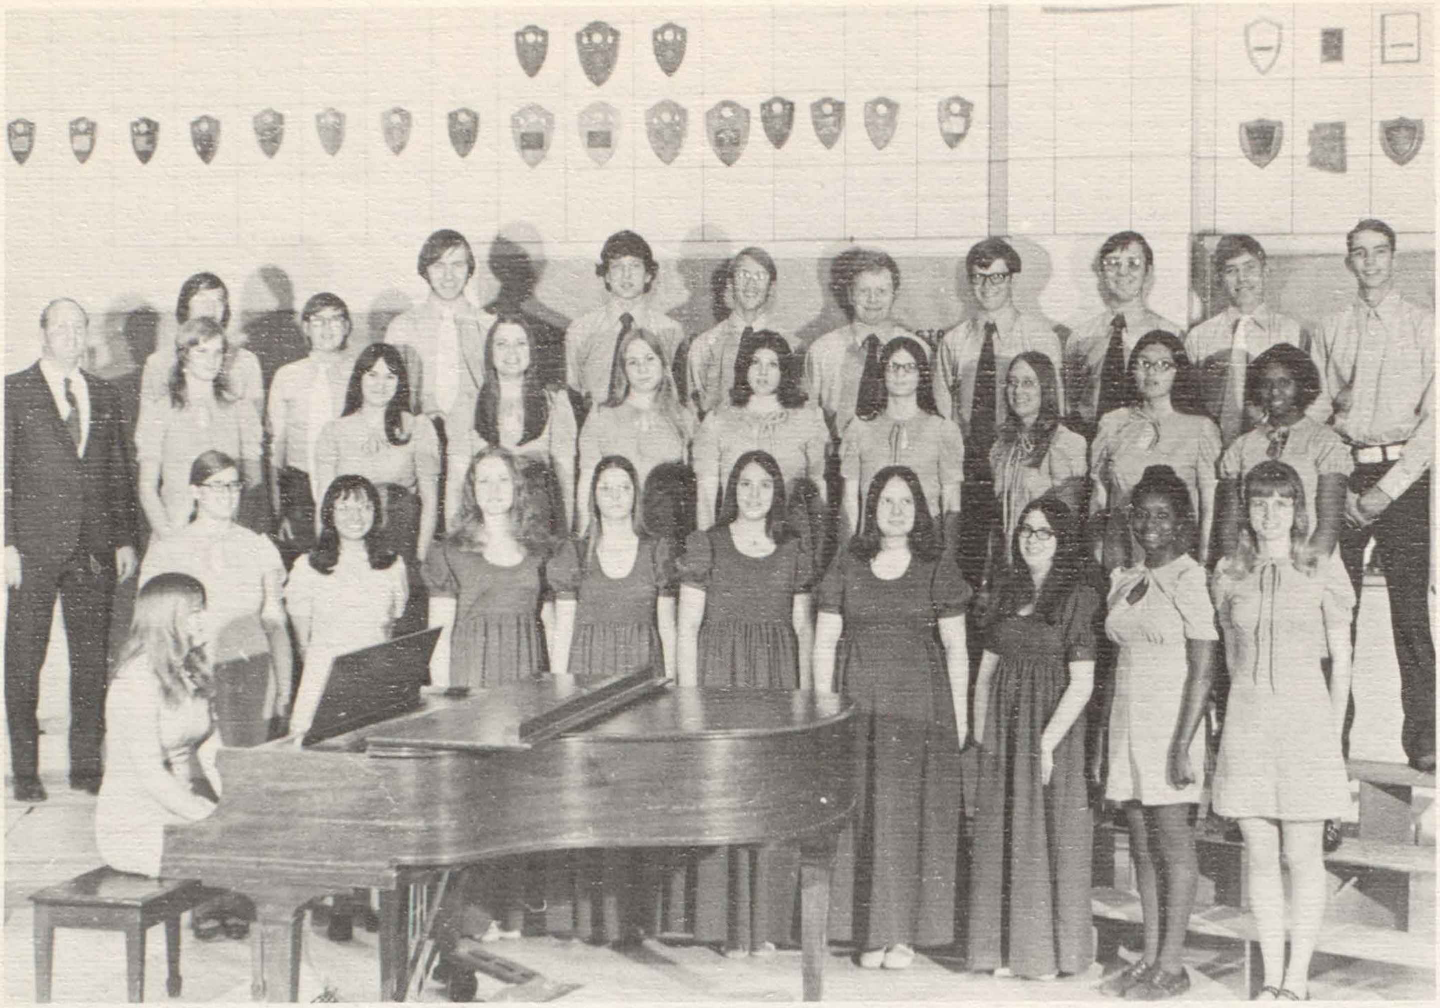

MASCOTS

The Mascots are an extension of the cheerleading squad, an active branch of the Pep Squad, and strong supporters of school spirit. They perform their gymnastic acts at all the football games and at the opening of the basketball games. There is a lot of fun and tradition involved, but also hard work and time. This year's enthusiastic squad consisted of Cheryl Weatherton, captain; Paula Benefield, co-captain; Laura Chambers, Julie Scheid, Tina Boyle and Jacque Kirby.

Cheryl Weatherton, Majorette for three years, presented a lot of talent and gracefulness at the past football games. Her poise and elegance was reflected in her performances, which also showed hard work and confidence. Cheryl delighted the crowds with her flaming baton routine at the football games. The Majorette position is another spirit booster in collaboration with the other spirit boosters.

CONCERT CHOIR AND MADRIGAL

The Winslow High School Concert Choir gave a number of performances this year. They received a superior rating at the music festival at Holbrook. They were very well received in the Phoenix area where they sang for Mingus High School and Agua Fria High School.

The Winslow High School Madrigal Choir performed for Rotary Club, Kiwanis Club and the Senior Banquet. They received a superior rating at the District Solo and Ensemble Festival at Winslow and an excellent rating at the State Solo and Ensemble Festival in the Tempe area.

1972-73 homecoming

IT'S GREAT TO BE A BULLDOG!!

Showing great spirit and courage, Bulldogs and fans alike overcame a dismal, rainy day, to produce a great homecoming.

The theme, "It's Great To Be A Bulldog," fitted the situation so well. Taking a few weeks outside of regular school hours, students spent their free time working on their floats, halftime shows, Homecoming assemblies, and for the final event of the evening, the Homecoming dance.

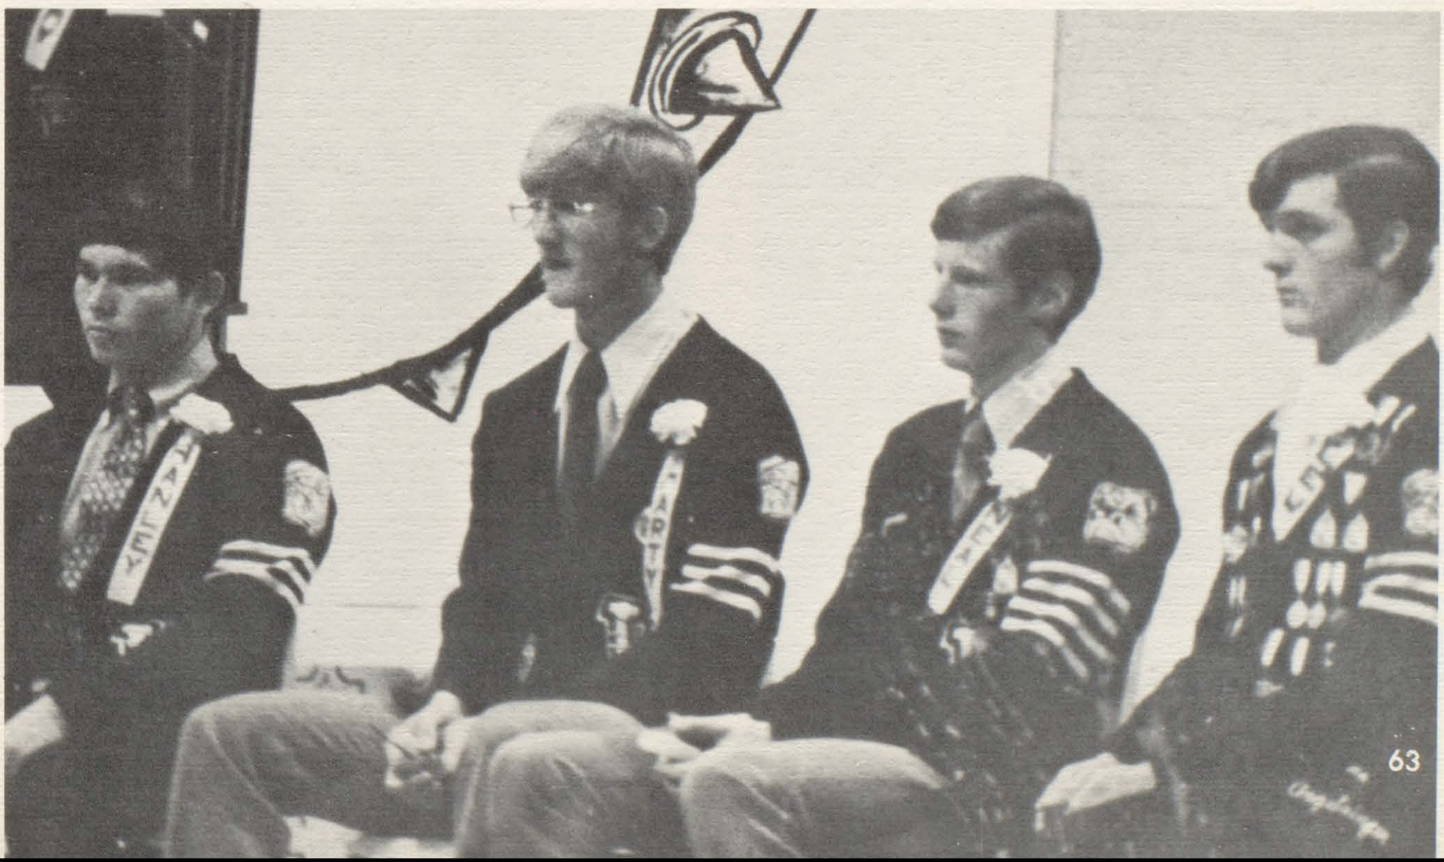

To start out the festivities came the Homecoming assembly, on a cold rainy night. Suspense and anxiety filled Bulldog Gymnasium as the candidates for King and Queen waited for the final moment when the winners would be announced.

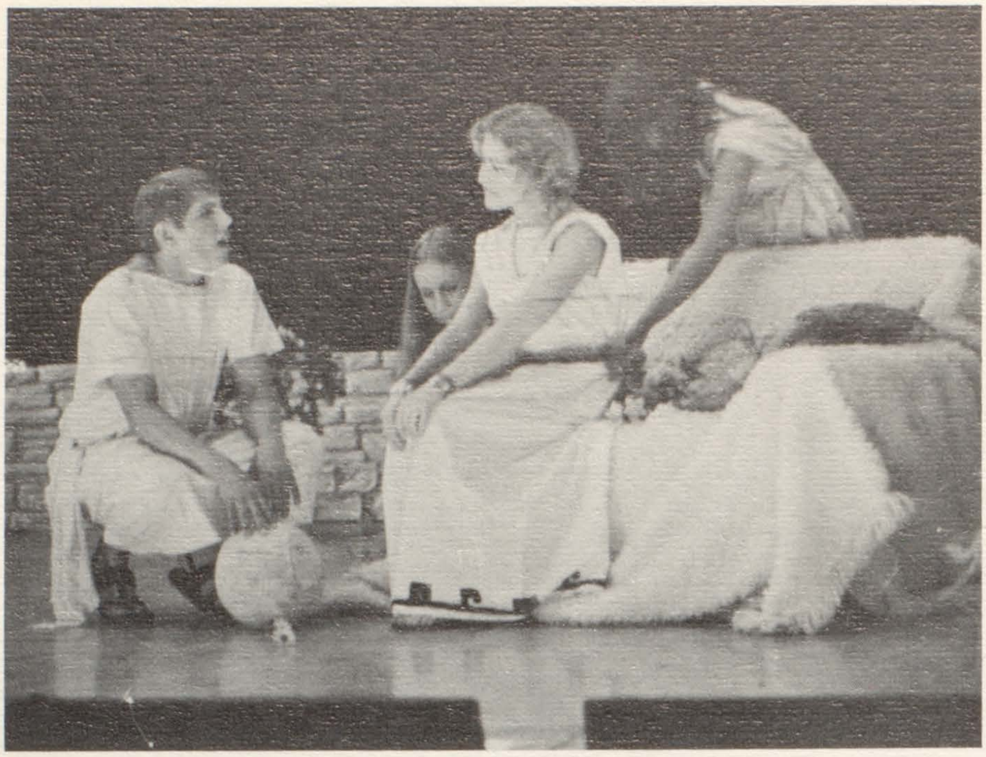

This year's choices were Queen Beth Neill and King Tommy Easley. Their court consisted of attendants Pauline Aragon, Cheryl Weatherton, Terri Garner, and Paula Benefield. In line to the kingship were Marty Durkin, Lew Argetsinger, Neal Carver and Hanley Short.

Then came the final proof of spirit which would be judged in their floats. The mighty Class of '73 easily swept away with 1st place honors with their big, proud Bulldog.

In the above picture, Ken Lawson, who plays the part of Luke, explains to Max Hathaway his problems. In the lower left hand corner Ken Lawson and Laura Fore discuss their problems with each other. Right hand corner, Art Rubi, who plays an older physician, talks to Chuck Stratton.

Play cast included Neal Carver, Mark Campbell, Laura Fore, Pauline Aragon, Lori Raygor, Catherine Breeze, Bill Michaels, Susan Aipperspach, Mary Cahill, Dan Clarke, Linda Bomkamp, Casey Gilliam, Karen Sullens, Beverlee Stucker, Joe Hasten, John Alire, Jeannie Lyet, LeeAnn Bernier and Carolyn Duggins.

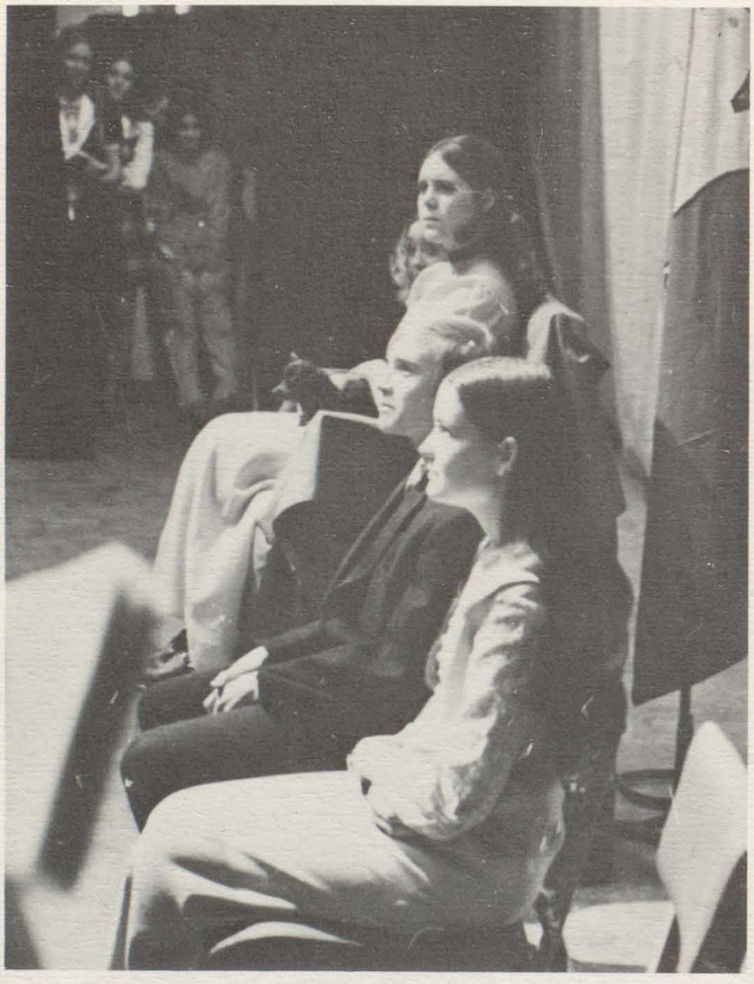

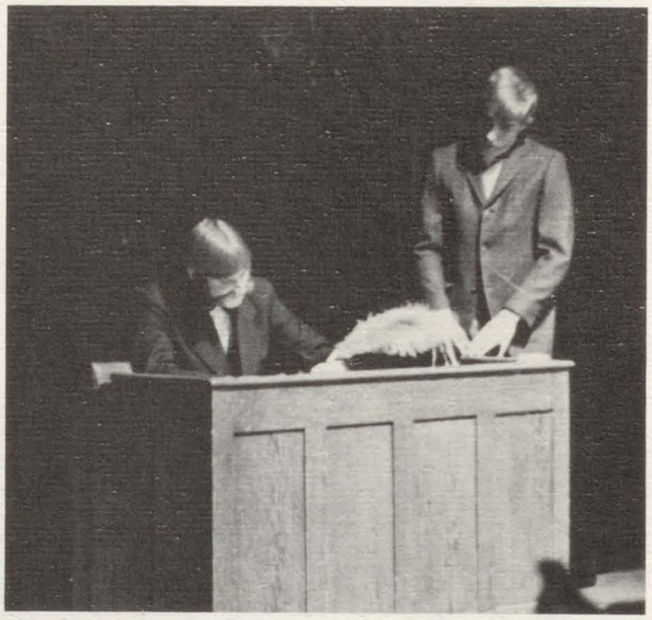

JR. PLAY

Mary, Brenda, Mike and Elaine are silently listening as their hearing proceeds.

"Mouse on Mars" was this year's junior play and there were many facts to give it a different twist. The casting was opened to the entire school since a difficulty arose in finding boys to play the male characters.

Drama director, Mr. Ron Harris, was in charge of the production with Jeanne Lyet as student director. Students who participated in the play were: Laura Fore, Brenda Smith, Mari Faucher, Elaine Douthitt, Janet Heflin, Mary Durkin, Joe Hasten, Bobby Estudillo, Susi Aipperspach, Heather Morris, Carla Foster, Cathy Cooke, JoAnn Campbell, Mary Cahill, Mike Ayres, Wayne Taylor, Sandi Linder, Polly Cain, Antoinette Pena, David Scheid, Chuck Stratton, Greg Bloomfield, and Ray Duran.

ARTS & CLUBS ASSEMBLY

The annual WHS Arts and Clubs assembly was held Wednesday, May 16.

One of the highlights of the assembly was the presentation of awards to the fine musicians of the chorus, orchestra and band. Brenda Jennings was presented an award as the outstanding performer in music department (chorus, band and orchestra).

Mr. Harris presented awards to all students who participated in speech tournaments and plays.

Other awards presented were: Spanish Club awards, library awards, Elementary Reading awards, cheerleader letters and certificates and Meteorette awards.

The new student body officers were inducted into office. New president, Andy Knight, conducted the assembly after his induction.

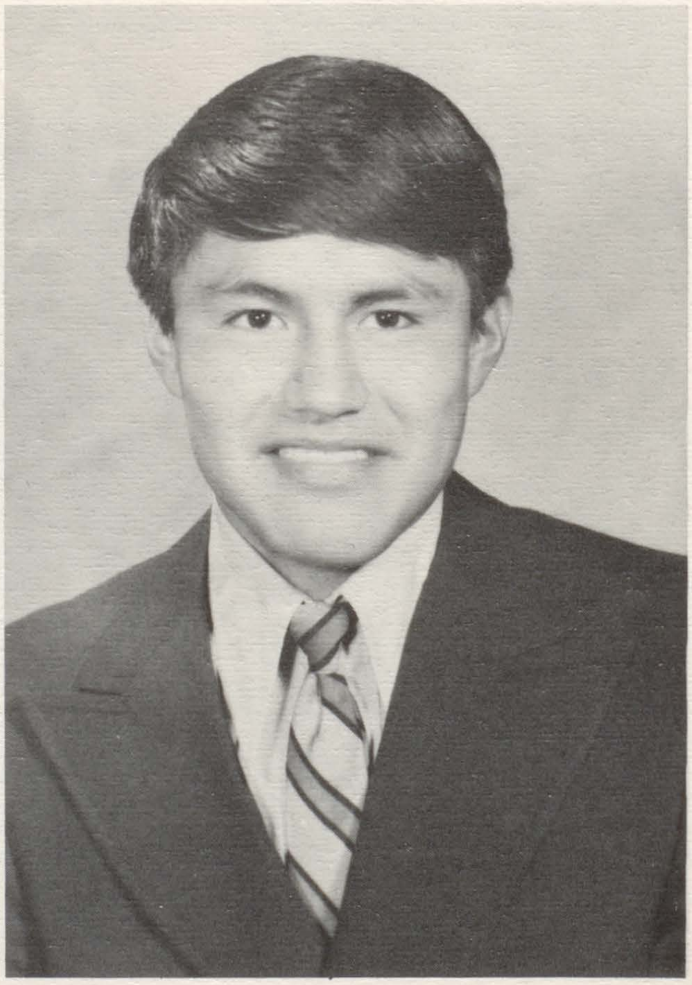

METEOR KING MELVIN TODDY

Versatile is the word for the creative ability of Melvin Toddy, who was chosen for Meteor King in 1973. Toddy is an artist who has worked with pen and ink, water color, pencil, wood sculpture, pastels and has also experimented with jewelry casting. Toddy, a Navajo, has painted oils and watercolors that he has successfully sold. He was always willing to make sketches and drawings for friends and gave much of his work away.

METEOR QUEEN ROSA HONANI

Rosa Honani, chosen for Meteor Queen in 1973, served as senior class secretary, was a member of G.A.A., Pep Squad, "S" Club, and gymnastics. She was also vice-president of N.O.T. and secretary of Matmaids. Rosa served on the Homecoming, Senior Hop and Banquet committees. She added to her activities by participating in the musical, "The Education of Hyman Kaplan".

FRESHMAN ORIENTATION

The first week of school is orientation for the freshmen. The student body officers and council members induct them into the high school by explaining the school policies. Picture on bottom right shows Michael Ceballos with a school manual that every one receives when registering for school. TOP PICTURE shows some of the freshman at their orientation. LOWER LEFT picture shows the directors of the orientation--Michael Ceballos, Terri Graner, Mary Benham Neil and Renee Day. These people taught the freshman school cheers and organized fun things for the freshman to do. For instance, "The Peanut 500" held September 13. Another activity was the freshman slave auction.

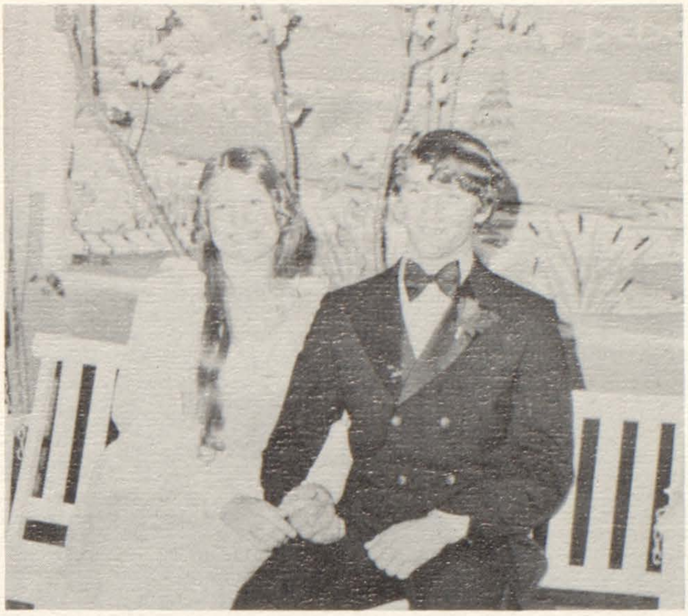

Theme for the 1973 Jr. Prom was "Saturday in the Park".

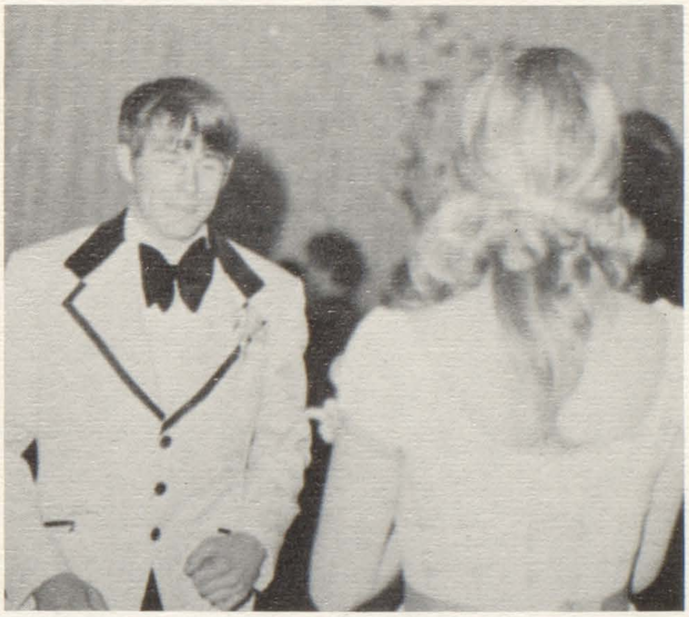

The grand march began on March 31 at 8:30 at the the Elks hall as the couples came upon a beautiful little park filled with blooming apple trees, flowers, swings, summer-houses and enchantment. The theme was carried out in ice blue, pastel pink and white, with a blue sky filled with white clouds for the ceiling. The good humor wagon gave the girls favors of plastic ice cream cones and refreshments were pink lemonade and cake. CENTER: As the grand moment came to an end Chairman Shorty Higgison and President Dwain Smith announced Renee Day and Neal Carver were Junior Prom King and Queen. THE CLASS OF 1973 GRADUATES

Class Poem

'Twas the night of graduation
And all through the years,
We had been waiting,
Now it was here.

The chairs at the ballfield
Were set up with care
In hopes that the seniors
Soon would be there.

The faculty was waiting;
The crowd was there, too;
The band sat there mumbling.
Where were they? No one knew.

When from 'round by the gym
There came such a clatter,
Everyone rose to see
What was the matter.

The band started playing
As the seniors marched in.
When was this ceremony
Ever going to end?

They got their diplomas
Each one in line;
The Reverend was praying.
You know what was on their minds.

The gong struck nine;
The band played again;
The seniors got up.
Is this the end?

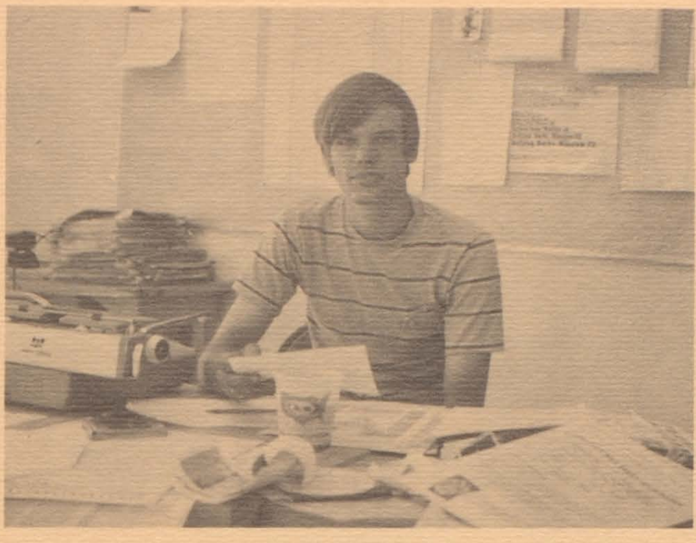

We're the Class of '73;'
We've had a lot of fun.
Let's not stop it now;
Life's battle has just begun!

Organizations

Bill Michaels, editor

METEOR

The members of the staff of the METEOR set as their goal a yearbook that will provide a history of Winslow High School and a reference book for those who seek information about the year 1972-73.

The publications department of WHS has adopted a summer delivery for its yearbook so that the final activities connected with the graduation of the seniors may be included in the book. The last of the school organizations to complete its work for the year is the METEOR as its staff members gather the final days of school in pictures for the departing seniors. The work of the staff begins with freshman orientation, and ends after other students have departed.

NOT PICTURED

In the rush and hurry to photograph and record the activities of the rest of the school, the METEOR staff left its own problems until the end with the result that four members of the class did not return after the graduation ceremonies to have their pictures taken.

Those who had departed for other pastures before the camera could be clicked were: Wilkie Beeson, who handled book sales and art design; Jacqueline James, who served as copy editor; Rodney Chavez, sports editor; and Sandra Lopez, layout editor.

STUDENT COUNCIL

A major task undertaken by the 1972-73 Student Council was to revise the student body constitution. A revised constitution was presented to the vote of the student body and accepted.

The annual student government day was held May 1st. Twenty selected students visited the city offices and observed how they were run. To top this informative and fun day off, they all got to ride on the fire engine through town and by the high school, then to lunch at the Elks.

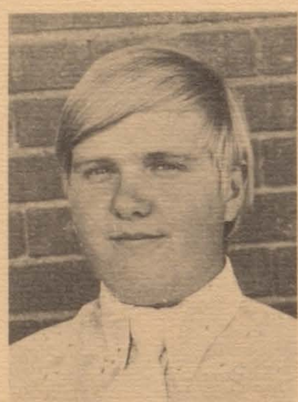

To initiate the new student body officers for 1973-74, the old officers took them out to breakfast at Sambo's in their sleeping attire. The new officers also got to lead the student council meetings for the rest of the year.

JOURNALISM

The members of the Journalism class, under the direction of Mark LeGate, editor (shown at right), produced nine issues of the BULLDOG BARKS. These included a special eight page 25th Anniversary number and a special graduation issue. The annual April Fool edition was called the CHIHUAHUA SQUEAKS, and it was published in addition to the regular Barks.

Three members of the staff left at mid-year when Lori Reygor and Brenda Haydukovich graduated and Mary Benham Neill moved to Flagstaff. Mike Ceballos served as assistant editor.

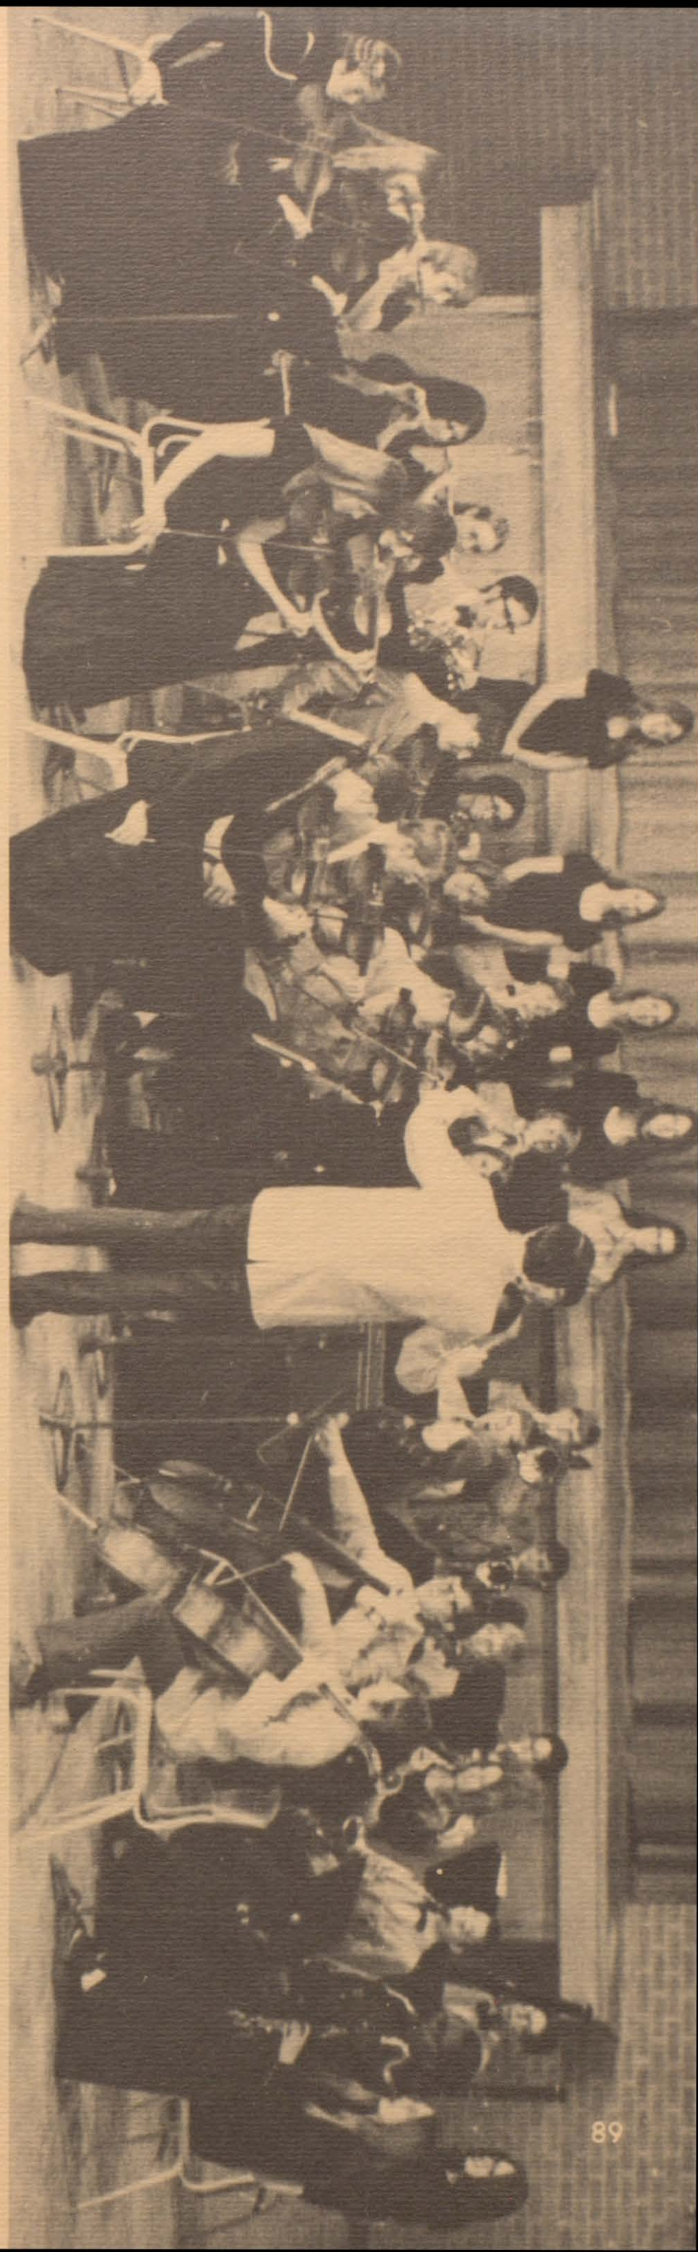

ORCHESTRA

1972-73--A successful year for the W.H.S. Orchestra and director, Mr. Ralph Thompson. This year the orchestra received their first superior rating in the history of the orchestra at the district festival in Holbrook on March 10. Other activities have included accompaniment for two major choral productions--"Messiah" by Handel, at Christmas, and the Faure "Requiem" in the spring. The orchestra took a two day tour of Northern Arizona in February and presented concerts throughout the year. The orchestra concluded the academic year presenting the musical "The Education of Hyman Kaplan" in conjunction with the drama and choral departments; and a final honors concert on May 17 with the junior high and elementary orchestras.

TOP: Orchestra Director, Mr. Thompson leads the orchestra in one of its concerts. The orchestra kept very busy during its season and received great applause from its audiences.

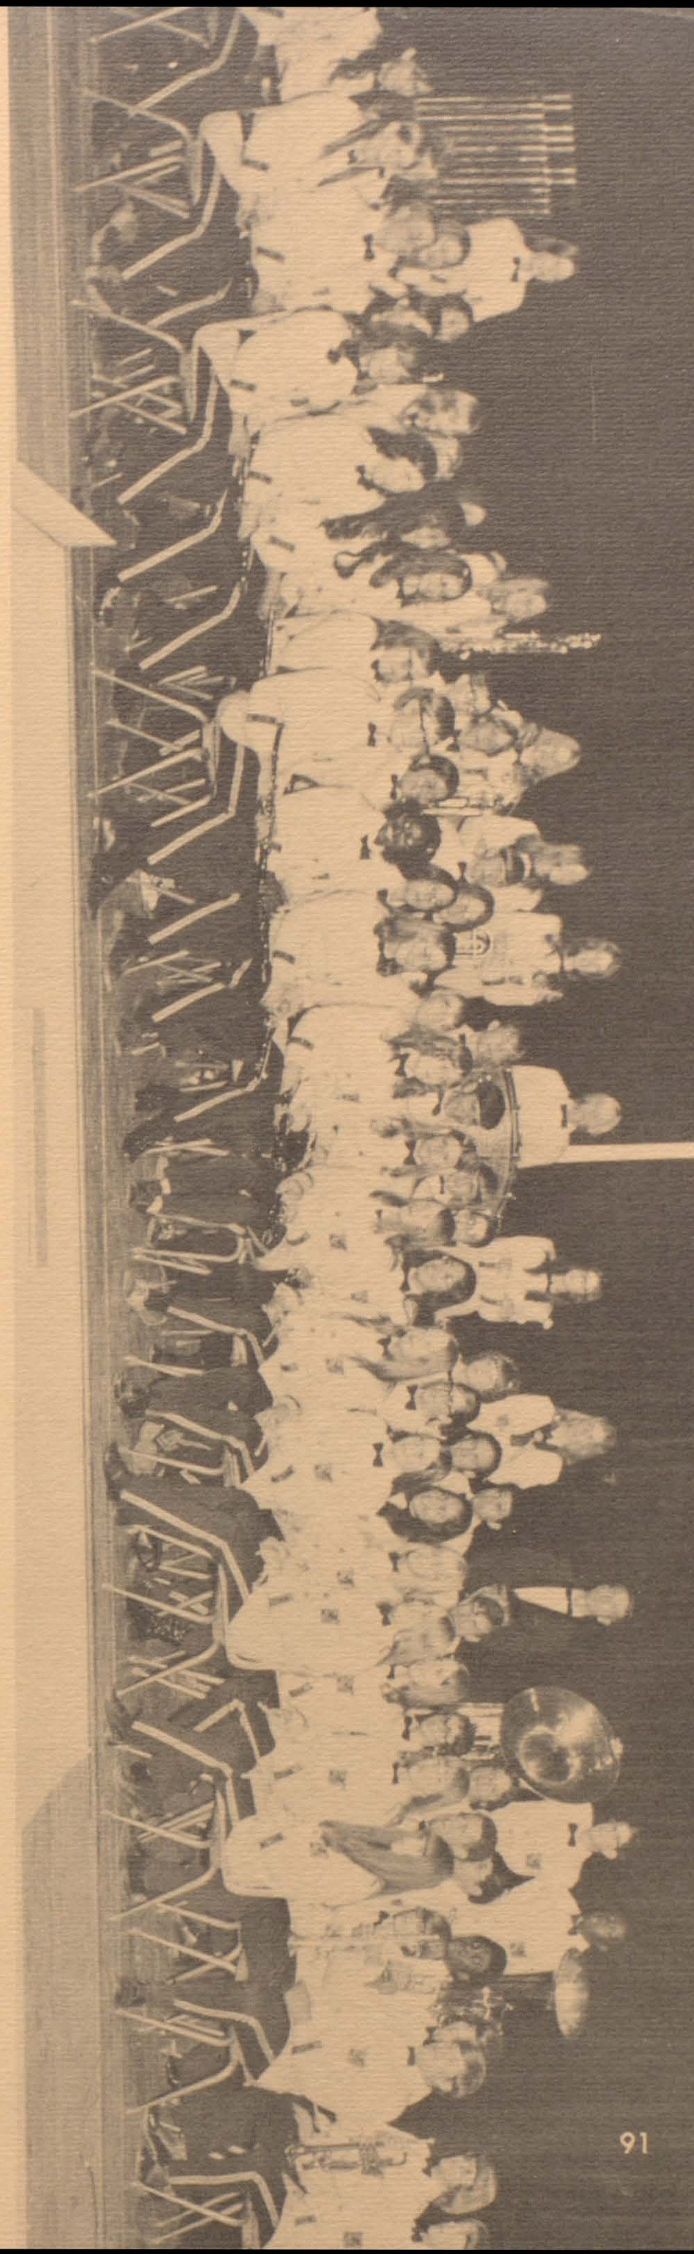

BOTTOM: Performing before a full house during the All-Schools program the orchestra played many favorite Christmas carols and arranged pieces.

W.H.S. BAND

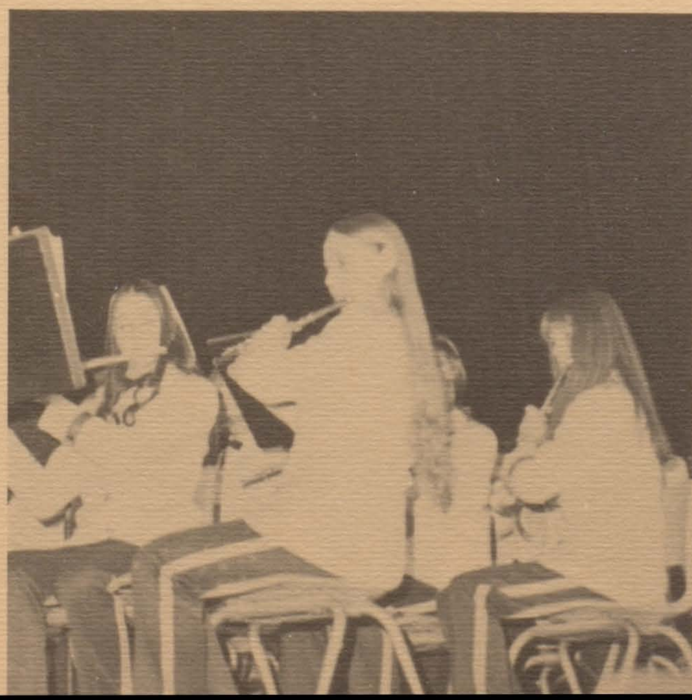

ACTIVITIES BUSIED MUSICIANS

Showing great spirit and poise, the 1973 Bulldog Marching Band ended their energetic year in great satisfaction to all fans. Winslow High School Marching and Concert Band, under the direction of Mr. Paul Summersgill, completed its busiest and most successful season.

Led by the high-stepping drum major, Marcus Warren and majorette, Cheryl Weatherton, the band performed to the most up-to-date tunes and marched to lively tunes while weaving in and out to geometric formations. Also, along with the high-kicking Meteorettes, performed in six unique and exciting football half-time shows, and traveled with the Winslow Boosters to the season's opener in Holbrook. The Bulldog musicians also participated in the All-Indian Championship Rodeo Parade, the Annual Christmas Parade and the Homecoming Parade here in Winslow.

Appearances included pep assemblies, homecoming, a pep band at basketball games, and graduation.

Community activities involved the band in all parades, the lighting of the Christmas Tree the All-Schools Christmas Program, and their annual concert held in January.

The band performed in concert, which was held on March 20. At this time the proposed new uniform for the Winslow High School Band was modeled by Terri Garner. The uniform, which is adapted for both the marching and concert band features a "quick change" overlay of glittery, gold which will be worn by the marching band.

Seniors will soon be in the future looking back into the past and thinking of days of old when they were enrolled in the school of W.H.S. One thing that will stand out in their mind is the benefit basketball game played between them and the faculty. One reason that it will be remembered so well is that many were actively involved in it in some way or another, and if they weren't they at least knew some of the other people in it. The highlight of the game was at half time were some of the senior boys dressed as Meteorettes and called themselves the Meteors. A small routine was done by them which literally brought the house down.

In the year 72-73 the Student Body Constitution was revised under the direction of Michael Cebellos, Student Body President; this was a much sought after change. During the year the channels of communications were kept open by the Bulldog Barks under the supervision of the editor Mark LeGate. Also during the year the memory book, called the Meteor, was constantly being worked on under the guidance of the editor Bill Michaels. The highly skilled gymnastics team was led by seniors Beth Neill, Paula Benefield, and Karen O'Haco.

Many of the traditional events were also participated in by the seniors, such as the senior play, the Hop, and the profit making concession stand. Also this year for the first time the seniors managed to take first place in the homecoming float contest. This was accomplished through the efforts of the designer Wilke Beeson and the fact that it resembled a 3-D Bulldog.

JUNIORS HAVE A VERY GOOD YEAR

The junior class placed a proud third in the Homecoming parade with a dog house and the mighty bulldog in front. During Christmas they entered their candidate for Miss Merry Christmas, Cindy Kidd. Then they sold beautiful candles to help fund their prom.

The Junior Prom, entitled "Saturday in the Park," was held March 31 at the Elks. Other memorable events included the junior play, "Moust on Mars," and selecting their class rings.

Holding offices for the junior class for the year 1972-73 were president, Dwain Smith, vice-president, Gale Soehner, secretary, Susie Copsey, treasurer, Mike McLean. Serving as representatives were Mary Durkin, Robert Estudillo, and Theron Freeman.

Class sponsors were Mr. Boles, Mr. Cassidy, Mr. Conatser, Miss Dubuy, Mr. Henling, Miss Lancaster, Mr. MacArthur and Mrs. Roberts.

Being the first year of Art II, the class is kept busy by Mr. Patterson, the instructor.

Last year W. H. S. halls were filled with the cherubic faces of laughter of young freshmen. This year however, these same faces have taken on more mature lines. The sophomores of 1973 have squared their shoulders in readiness to assume new responsibilities.

Along with these added responsibilities the sophomores placed second in the Homecoming float contest, and first in the Miss Merry Christmas contest.

Next in line for the rugged sophomores is the task of collecting cans in order to make money for their Junior Prom, and Senior Hop. This can collecting will be a project for the next two years.

This year's sophomores should be recommended for the fine job they've done, not only this year but last year. Good luck in the next two years at W. H. S.

IN MEMORIUM OF A GREAT MAN

When the news about "Doc" Wright's death reached the people of Winslow, most refused to accept the fact. He had seemed immortal to most people because he had always been around to help everybody with anything that needed doing. It didn't matter to him who they were or how much work was involved. For example; He was the master of ceremonies at several banquets, he coached football for a while, and of course he had a great deal to do with the athletic schedule. In fact you might say that Doc was the only one who set up our athletic schedule. The surprising thing was that he seemed to enjoy doing this. He just plain enjoyed working with the students. You could always go to him with your problems and ask for a little friendly advice. But if you were sent into the office for reasons that were not so friendly, you could expect a reception that was not really considered warm. But no matter what happened he was fair and unprejudiced in his decisions concerning matters of discipline. He was well liked by the students which only goes to prove that he was fair in dealing with them. Of course there were a few who did not care for Doc, but then there are always a few who like nobody. It must be remembered that Mr. Wright was a humanitarian and he would resent being blown out of proportion. He would not liked to be remembered as a famous man, but as a great human. Mr. Wm. Wright had so many accomplishments to his name that he was a great human. His death is a great loss to WHS and he will be missed by all.

Total Involvement is the Answer

For three years it seems like your senior year will never arrive, then all of a sudden you are a senior. When you stop and look back, it really does not seem like you spent three years of your life waiting to become a senior, but you did. For some it seemed like a great deal longer than three years simply because they did not get involved.

It appears that people who get involved have the best time while the people who are wall-flowers never seem to enjoy school or any of it's functions. My advice to all underclassmen is to get involved to the fullest of your ability in anything that interests you. Or else you will be bored to death with the hum-drum of school life. Seeing that the "73" Meteor represents the end product of one whole year of total involvement by the Annual Staff. I sincerely hope it is enjoyed by all who read it.

Why you!!! I ought to slap your mouth for that!!! Get OUT OF HERE!!!

No offense my darling--but you could use just a dab of scope. Say a gallon or so!!!

Now you go about 1000 yards till you hit the dead log, turn left for 100 feet, swim the canal, run to the fence, and then go into the cave, and thats where the still and the cornwhiskey are hid.

I'd like a double scotch and a cherry vodka please.
